

# Pace Aftermarket Pvt. Ltd.

## About Us

For over **46 years**, PACE has been a **trusted full-service industrial solutions** provider, specialized in helping process plants and large corporations optimize their operations through comprehensive solutions, from service and sourcing.

## Our History

**Established in 1977, PACE has a strong reputation for quality and excellence.** Premier one-stop solution provider of cost-effective industrial solutions in India. Shifted focus to marketing high-end European products in 2000.

## Product and Services

We offer a **diverse selection of industrial solutions**, including refrigerated compressed air dryers, filters, and elements; crane cabin AC; dehumidifiers; drain valves; moisture separators; and spares and accessories

**Our services encompass testing and certification** (i.e., dew point measurement, air flow, wall thickness, health testing), hot tapping, servicing and commissioning of dryers and filters, and sourcing

We'll help you find the right solutions for your business
